Quick Guide for "Download Files":

For displaying the JODI files on your computer, make sure that you follow the 4 subsequent steps:

1) Download JODI files, 2) Download Browser, 3) Install Browser, 4) Display JODI files on your computer

This Quick Guide will lead you through the installation.

1) Download JODI files (world.IVT file):

a) Click on the Icon "Download world.IVT file" on the website for downloading the JODI files to your computer. The "File Download" window appears. Click on "Save".

c) After the download process is completed, close the "File Download" window. All the JODI data is now saved on your computer. For displaying this data you have yet to download the "Beyond 20/20 Browser".

2) Download Browser (Beyond 20/20 Browser):

a) Click on the Icon "Download Beyond 20/20 Browser" on the website for downloading the browser to your computer. The "File Download" window appears. Click on "Save".

b) The "Save As" window appears. Use the windows upper scrollbar "Save in:" for choosing the directory on your computer in which you want to download the file. (E.g. choose "Desktop".) Then click "Save".
