Interaction with data users

- **Existing tools for interaction with users:**

General Comments

Please contact jodi.info@ief.org with comments or requests for information.

Focal Points in JODI organisations

APEC, Eurostat, IEA, IEF, OLADE, OPEC, UNSD

- **Upcoming
Users' Forum**

Provide users with extended set of data

Users expressed need for more market data to be released:

- Flows on major products are missing in the existing questionnaire ;
- Difficult to build country oil balance with existing questionnaire.

Organisations developed an extended JODI Oil Questionnaire

- To respond to users' needs ;
- Taking into account JODI participating countries ability to deliver.

Knowledge dissemination and transfer (1)

JODI Training Programme

Share best practices on data validation or to discuss issues on data collection

JODI Training Workshops Level: **Region**. Number of participants: **20-30**

Past Workshops:

Latin America: Caracas (August 2006),
Sub-Saharan Africa: Johannesburg (January 2007),
Middle East and North Africa: Algiers (October 2007),
Asia: Bangkok (September 2008),
Central Europe: Ankara (November 2009),
Latin America: Bogota (August 2010)

JODI Internships Level: **Country**. Number of participants: **2-4**

Past Internships:

India, Vietnam, Azerbaijan, Myanmar

Knowledge dissemination and transfer (2)

JODI Manual

Help participating countries to report better quality data through the JodiOil extended questionnaire

- **Definitions on oil flows and products ;**
- **Data quality assessment techniques ;**
- **Presentation of oil industry operations and process.**

Knowledge dissemination and transfer (3)

Online Tutorial

Help participating countries to train newly appointed statisticians

- **Interactive tool:**
 - Oil balance,
 - definitions,
 - Conversion factors,
 - checking techniques and procedures, etc.
- **Presentation of oil industry operations and process.**

Extension of JODI

Natural Gas (JODI Gas);

APEC, Eurostat, GECF, IEA, IEF, OLADE, UNSD

Second Gas Data Transparency Conference, Doha, December 2011.

Annual Data on oil and gas capacities and reserves (JODI investment)

Capacity expansion, upstream / downstream

Critical for demand / supply balance medium – term

JODI relabeled Joint Organisations Data Initiative

Jodi Oil, Jodi Gas, Jodi Investment, etc.
